INDUSTRY GUIDELINES AND MANUAL

For Exhibitors, Sponsors & Industry Partners

Organized by D Event Tourism Organization
congress@devent.com.tr | +90 216 573 18 36

1. Welcome Message

Dear Valued Exhibitors and Sponsors,

We are delighted to present the 58th EPC/IAP Joint Meeting Industry Guidelines and Manual taking place June 24–27, 2026 in Istanbul, Türkiye.

This document provides you with the key guidelines, deadlines, technical requirements, and terms and conditions applicable to all exhibitors, sponsors, and industry partners participating in 58th EPC/IAP Joint Meeting. Please read it carefully and share it with all colleagues and agencies involved in your congress activities.

We look forward to welcoming you to Istanbul.

Organizing Secretariat

General illumination
General security
Coffee breaks will be served in the exhibition area for providing exhibitors with maximum opportunity to showcase their products and to interact with delegates. 

5. Exhibition Guidelines

5.1 General Rules

- No sponsor or exhibitor may set up a booth or display until full payment has been received by the PCO.
- No sponsor or exhibitor may assign, sublet or apportion their allocated space to a third party.
- All booth construction and displays must comply with applicable venue safety regulations.
- **The sponsoring company is responsible for all damages caused to the convention center during booth setup.**

5.2 Exhibition Space

- Exhibition spaces of predetermined dimensions will be allocated to sponsoring companies within the congress area.
- Sponsors are required **not to exceed the square meter limits** of the stand space assigned to them.
- **Only empty stand space within the specified square meter area will be allocated to exhibitors. Modular stand walls or shell scheme systems will not be provided in the exhibition area.**

5.3 Stand Equipment

- Companies may design and set up their stands according to their own preferences. table, chairs, brochure stands, roll-ups, and similar equipment to be used within the stand area may be provided by the sponsoring companies.
- Each company will be provided with **one table and two chairs** by the organization within the standard facilities of the university. The furniture supplied will be of a standard type. Companies wishing to benefit from this service must submit their requests to the **PCO** (congress@devent.com.tr) **no later than April 20** in order for the arrangements to be made.
- Companies may choose to provide their own tables, chairs, or other stand equipment and booth designs according to their specific preferences. In such cases, the equipment must be arranged and supplied by the companies themselves. Alternatively, companies may rent or procure stand equipment through the supplier companies **which recommendation below**, For any additional requirements, companies may arrange rental services through the supplier companies.

Suggested Booth Building Companies

To facilitate booth building for EPC/IAP 2026 participants, the contact information for booth building companies is provided below. These companies are shared as recommendations based on previous experience or general industry knowledge. However, these companies are not officially appointed by the organization and their use is not mandatory. Participants are entirely free to work with any logistics provider of their choice.

5.4 Electricity Usage

- All electrical cables and connection equipment required for stand operations must be provided by the sponsoring companies.
- The electricity infrastructure will be supplied by the university.
- The organizing team will indicate the location of the electrical panel to the companies, and exhibitors will be responsible for arranging their electricity connections from the designated panel.
- International exhibitors are kindly advised that electrical plug types and connection standards used in Türkiye may differ from those used in other countries. Therefore, exhibitors are strongly recommended to bring the appropriate power adapters and compatible connection equipment with them.

Turkey Electricity Standard

Voltage	230V
Frequency	50Hz
Plug Type	Type F (Schuko)

5.5 Exhibitor Badges

- Exhibitor badges are personal and non-transferable.
- Exhibitor badges may be purchased; please contact the PCO for pricing. (congress@devent.com.tr)

5.6 Catering in the Exhibition Area

- Catering during breaks will take place in the exhibition area.
- All catering must be ordered from the official venue caterer exclusively.
- External food and beverages are not permitted inside the venue.

5.7 Branding & Signage

For companies providing catering and general area sponsorships;

- Company flags and banners must be provided by the sponsoring company (as per package details).
- Logos and promotional material must be submitted to the PCO by the agreed deadline.
- The PCO reserves the right to review and approve all signage displayed at the congress.

6. Compliance & Ethics

All exhibitors, sponsors, and industry partners are expected to adhere to the following compliance principles:

- All promotional and scientific activities must comply with applicable national and international laws and regulations, including anti-gift and anti-bribery legislation in force in Türkiye and the sponsor's country of origin.
- Healthcare professionals (HCPs) attending or participating in industry events must be identified and managed in accordance with relevant transparency and disclosure regulations.
- Scientific content of all industry sessions must be educational in nature and reviewed by the Scientific Committee.
- Industry partners agree not to engage in any activities that could compromise the scientific integrity or independence of the EPC 2026 scientific programme.
- Industry partners must comply with the EFPIA (European Federation of Pharmaceutical Industries and Associations) Code of Practice where applicable.

7. Terms & Conditions

7.1 Payment

- All fees are stated exclusive of 20% VAT.
- Full payment must be received at least 1 month before the congress start date.
- Sponsorships with incomplete or outstanding payments will be cancelled without refund.
- For payments in Turkish Lira, the Central Bank of the Republic of Turkey Effective Sales rate on the day of the congress will apply.

7.2 Cancellation Policy

- Cancellations must be submitted to D Event Tourism in writing.
- Cancellations received before April 1, 2026: 10% of the total amount paid plus any bank transfer charges will be deducted; the remainder will be refunded within 60 days.
- No refunds will be made for cancellations received after April 1, 2026.

7.3 Amendments

- The Organising Committee reserves the right to amend the sponsorship programme or tailor packages for the benefit of the sponsor and/or the congress.
- All sponsorship entitlements are subject to meeting deadlines and Scientific Committee approval.
- Price changes due to significant changes in economic conditions or tax legislation will be communicated in writing.

7.4 Force Majeure

- The Organising Committee shall not be liable for failure to fulfil obligations due to events beyond its reasonable control, including but not limited to natural disasters, **acts of terrorism, war, pandemics (as officially declared by relevant authorities)**, government restrictions, or public health emergencies **that render the performance of the event impossible**

8. Shipping & Customs Information

- Detailed information regarding shipment procedures, customs clearance requirements, and logistics planning for EPC/IAP 2026 will be shared with all participants in a separate logistics guideline. This document will include important instructions for arranging shipments as well as the contact details of logistics companies that can provide support with transportation and customs processes.
- Participants are advised to review this guideline carefully and contact the listed logistics providers directly for assistance with shipment arrangements and related procedures.
- The installation and dismantling dates, delivery equipment details, as well as the technical rules and specifications related to product deliveries indicated below:

Build-up (June 23, 2026)

As the congress will start early in the morning on June 24, all hall and exhibition areas must begin installation on **June 23, early morning**.

- Access: 07:00 am entry
- Build-up start: **08:30 am**
- Active installation in full operation by: **until 08:00 pm**

Breakdown (June 27, 2026)

Breakdown may start on **June 27. 02:00pm** However, all dismantling activities must be completed by **09.00pm at the latest (June 27)**

Logistics & Traffic Planning

Due to the use of multiple halls and floors, build-up and breakdown operations will take time. A high volume of trucks and materials is expected; therefore, companies may need to wait for their assigned time slots and follow a coordinated sequence.

A detailed vehicle and material flow plan will be prepared, and specific time slots will be shared with you accordingly.

Handling & Equipment

No handling equipment (e.g., forklifts) will be provided by the university. The loading/unloading area is located at foyer level, and all materials will be transported via the main entrance.

No elevator usage is foreseen for this process; therefore, companies may need to arrange their own handling equipment if required.

Damage & Responsibility

Any damage caused to the venue during build-up or breakdown will be charged to the respective company. We kindly ask all participants to take the necessary precautions.

Storage

Unfortunately, our storage space is limited. Please send us a list of the materials you wish to store in our warehouse by the beginning of June. (congress@devent.com.tr)

Once the details are finalized, we kindly request that you share the contact information of the company that will set up your booth with us.

This document is intended for industry partners of EPC 2026 only. All information is subject to change; updates will be communicated by the PCO. By participating in EPC 2026, all exhibitors and sponsors agree to abide by these guidelines.
